<b>18/12/06</b>	<b>Walsden Improvement Group Update</b>	
	<p>Alan covered basic premise of the last Walsden Improvement Group meeting.</p> <p>A development plan was to be produced covering the main areas of regeneration.</p> <p>A meeting with a representative from Calderdale Highways took place regarding replacing street furniture. Railings and street furniture along Rochdale Road which the group have identified as in need of upgrading will be incorporated into the development plan and funding obtained.</p> <p>A successful meeting with Peter Rigg regarding the improvement to his property, both Bottoms Mill and the Garden Centre, had taken place. Peter has agreed to sandblast the buildings and upgrade fencing, generally improve the look of the area. It was felt by all that was a big gesture on his part, and in view of his current customer base could also be a gamble on his part. The group felt that part funding towards the improvement work should be applied for.</p> <p>It has also been discussed by the group that the land at the Turning Circle is taken over by Todmorden Town Council. Margareta suggested that if that happened Todmorden Town Council could pay CMBC to look maintain the area once landscaping work had been completed.</p> <p>Malcolm advised that where CMBC have taken over responsibility for car parks the ruling is any excess income generated should be spent on the local environment.</p> <p>Claire advised that the monies are already allocated and that after initial costs surplus is ring fenced by Highways.</p> <p>The first draft of the Walsden development plan should be complete by week ending 19<sup>th</sup> January anyone requiring a copy should contact Louise.</p>	<p>LC</p> <p>LC</p>
<b>19/12/06</b>	<b>Malcolm Birkett – Financial and Bramsche Square Update</b>	
	<p>Treasury matters – should anyone have any matters regarding Tod Pride finance they should contact Malcolm. Authorised signatures for all the accounts are currently being verified by the Bank.</p> <p>Although nothing was formally committed money may be available for the launch of the Fielden Wharf.</p> <p>James advised the meeting that Tod Pride was never intended to be funder, however any monies in the pot could be used for small purchases.</p>	<p>MB</p>
